

The **METRO VIGAN WATER DISTRICT**, by virtue of Presidential Decree No. 198, is formed for the purpose of the following to wit:

“Section 5. Purpose – Local Water Districts may be formed pursuant to this Title for the purpose of:

- Acquiring, installing, improving, maintaining and operating water supply and distribution system for domestic, industrial, municipal, and agricultural uses for residents and lands within the boundaries of such district;
- Providing, maintaining, and operating wastewater collection, treatment and disposal facilities, and;
- Conducting such other functions and operations incidental to water resource development, utilization and disposal within such district, as are necessary or incident to said purpose.”
(Chapter II, Purpose and Formation, Section 5 of PD 198)

VISION

Metro Vigan Water District envisions itself to be an efficient and economically viable utility that provides adequate and quality water at a reasonable cost to every household within the service area and an effective sewerage system for the City of Vigan.

MISSION

Metro Vigan Water District is committed to contribute to the improvement of the quality of life of the people within the area covered by supplying potable and affordable water twenty four-(24) hours a day.

Maintain and sustain financial viability and continuously improve by designing and managing the growth of infrastructure in conformance to internationally accepted standards.

Conduct ourselves as public servants, deeply committed to customer satisfaction and uphold the ethics of professionalism.

We shall adhere to sound practices in preserving our water resources and our natural environment as a whole.

FOR THE TRANSPARENCY SEAL
